

HORSE PILOT

LOOKBOOK 2020

A woman with blonde hair, wearing a light grey long-sleeved shirt and black leggings, is leading a line of black horses up a grassy mountain trail. The horses are walking in a single file, and the woman is holding the lead rope of the horse in front of her. In the background, there are more horses and a person leading them. The landscape is a vast, open mountain range with rolling hills and distant peaks under a clear sky.

From competition arenas to the dizzying mountains of the Pyrenees, from the precision of the technical gesture repeated many times to the uncertainty of the elements, from the daily adventure to the great adventure, we support you, with ever more passion, demands and technicality.

Des terrains de concours aux montagnes vertigineuses des Pyrénées, de la précision du geste technique maintes fois répété à l'incertitude des éléments, de l'aventure quotidienne, à la grande Aventure, nous vous accompagnons, avec toujours plus de passion, d'exigence et de technicité.
